Neither will any person be allowed to conduct or attempt to conduct any activity on the school premises that has not had prior approval by the Administration. Appropriate, respectful conduct with office staff, teachers, students and administrators, is always required. These precautions are all with the students' safety in mind. Anyone who is not a student or staff member of Great Expectations Academy, and is in violation of this policy, shall be reported to the office by staff members. The visitor may then be asked to comply with this procedure and/or may be asked to leave the property of the Academy. Failure to obey such instructions may subject a person to criminal proceedings applicable under law. To ensure open communication with our families, a parent/guardian may call the office, at any time, to schedule a conference or appointment with an administrator or staff member.

ARRIVAL AND DISMISSAL HOURS OF STUDENTS

The entrance gate of the school campus will open at **7:30 am**. Students **WILL NOT** be permitted to be on school grounds before **7:30 am**. There will be teachers and/or campus monitors to supervise the school grounds between 7:30 am and 8:00 am. Students must behave safely on the school campus and respect their peers and supervising adults.

School hours for middle school students start at promptly 7:45 am. Middle school students arriving after 7:50 or later will need to go straight to the office and have a parent or guardian sign them in at the office for a tardy pass.

School hours for elementary students start at 8:00 am. The front gate will lock at exactly 8:05 am. At that point, the parent or guardian will need to sign the student in at the office for a tardy pass.

The end of the school day is 2:30 pm. Students will need to be picked up no later than 2:45 pm. The students participating in after school activities will need to be picked up no later than 3:45 pm unless otherwise indicated by the teacher in charge of the activity.

DROP-OFF AND PICK-UP PROCEDURES

For the safety of our students, parents and all school personnel, the drop-off and pick-up guidelines must be followed.

Morning Drop-Off

Parents or guardians may drop off their student at school using the driveway drop-off. The entrance for the driveway is on La Canada, slightly north of the school. The driveway will curve around to the front gate entrance of the school. The school office and front gate are the only permitted entrances for the students. The following are guidelines for the driveway drop-off:

- Parents should not get out of the car. If your child needs help getting out of the car (such as with backpacks, seatbelts or car seats), please pull out of the driveway line and park your vehicle in the parking lot.
- Do not leave your vehicle unattended in the driveway at any time.
- Your student is to exit the vehicle immediately after you pull up to the entrance. If for any reason your student is not ready to be dropped off, pull out of the driveway line and either go to the end of the drop off line of vehicles or park in the parking lot. This helps to keep the flow of vehicles moving and is courteous to the rest of the parents.
- Students are to exit the vehicle on the sidewalk side only. If there is anything keeping them from doing so (car seat, boxes, broken door, etc.), you will need to pull out of the line and park your vehicle in the parking lot.
- Follow the direction of the crosswalk monitor. There are students and parents walking on the crosswalk across the driveway also.
- Verbal abuse towards the crosswalk monitor will not be tolerated.

Parents or guardians may park their vehicle in a parking lot space and walk their student to the crosswalk. There will be a crosswalk monitor to direct the vehicles to stop so students and parents can cross the driveway safely. *Younger students and siblings should be accompanied at all times.* **Do not stop your vehicle in the middle of the parking lot to drop-off your student.** This not only jeopardizes the safety of parents and students but also creates traffic flow problems. Our concern and priority is the safety of everyone on campus, in our parking lots and driveway.

Dismissal Pick-Up

Safety as well as efficiency can be accomplished by abiding the following guidelines for student dismissal. Please remember there are approximately 200 parents or guardians picking up their student at one time. We ask that everyone help with protecting our students.

Parents or guardians may pick up their student at school using our driveway pick-up or park their vehicle in the parking lot. School personnel will be at the crosswalk to call for your student when you arrive at school either way.

- Parents parking their vehicle in the parking lot will come to the crosswalk and wait for their student to be called.
- Parents are not to go to their child's classroom to pick them up. Teachers are part of the release procedure and need to give their attention to promptly sending students whose names are called out of the classroom.
- Parents, who choose to pick-up their student in the driveway, remain in your vehicle. If your child needs assistance to enter the vehicle (such as with backpacks, seatbelts or car seats), you must park in the parking lot.

If you need to visit the office to sign a student in as tardy or for any other reason, please park in the parking lot.

Early Dismissal

Early dismissal time is at 11:30 am. Student must be picked up in the same manner on those days. There will not be a lunch period on early dismissal days.

Other – Dismissal

Any student walking or riding his/her bike home will need to have a parent permission form on file **prior** to the actual day they walk or ride. Students who walk or bike ride home will be called as a group to meet at the ramada. School personnel will guide walkers and bike riders to the La Canada crosswalk. At the La Canada crosswalk, the walkers and riders will be led across the street by the crossing guard. Bike riders must walk his/her bike on campus and across La Canada. Bike riders must wear a helmet. All walkers and bikers must cross **ONLY** at the La Canada crosswalk. Walkers and bike riders must respect the crossing guard and fellow students.

PROCEDURE FOR ABANDONED STUDENTS

All students remaining at school after 3:00 pm who are not enrolled in an afterschool program or afterschool activity will be sent to the office. If there is a half-day, all students remaining at school after 12:00 pm who are not enrolled in an afterschool program will be sent to the office. At this point, the office will begin attempts at contacting the parents. If the parents are unable to be reached or unable to pick up their student, all contact numbers and emergency numbers will be called. If all numbers have been exhausted, the police or Arizona Department of Child Safety **will** be contacted.

STUDENT RELEASE

Students must remain on campus until the end of the last scheduled class and follow Dismissal Procedures. Any student found to be leaving campus will be subject to disciplinary consequences. No student will be removed from school grounds **or from any function during school hours**, except by the student's parents or legal guardians, or by a person who has legal authority to do so by the student's parent or legal guardian. Before releasing a student during the school day, the administration shall be responsible for the verification of the identity of the parent, legal guardian or authorized representative of the parent or legal guardian (e.g., a family member or family friend) seeking release of a student.

If any law enforcement personnel or other government agent (e.g., D.C.S.) requests the release of a student during school hours, school personnel shall require the production of the warrant, subpoena or legal document authorizing the student's removal from school and shall take reasonable steps to verify the identity of the law enforcement officer or government agent. School personnel may notify the parent(s) or guardian if permitted by the law enforcement officer or government agent of the intended relinquishment of the student or may, after inquiry by parent(s) or guardian and if permitted, explain to the parent(s) or guardian the nature of the relinquishment of custody by the school and the location of the student, if known.

STUDENT PICK-UP AND SIGN-OUT

Any time a student is to be picked up from school prior to dismissal time, he or she must be signed out in the office **prior** to being released from class. In the case of field trips and special events, please see the teacher if the child will not be returning to school and you will be provided a form for the purpose of signing out the child. **Please note that attendance will be affected by an early departure.**

ATTENDANCE

Regular attendance at school has been directly linked to academic success and creates positive attitudes toward responsibility that will carry over into adult life. Regular attendance by children of school age is also required by state law.

Our school is funded based on each student's daily attendance and absentee rate. In order for our school to receive the funds necessary to operate, it is critical to keep absences to a minimum.

Students are allowed only 8 (eight) **excused** absences in a given semester. Absences shall only be excused for necessary and important reasons. Any absence not verified by parental or administrative authorization will be classified as unexcused.

AZ state law defines an absence as excessive when the number of days is more than 10% of the 180 days required in the school year. Any student that is absent a combined total of **18 days** (consecutive or nonconsecutive, excused or unexcused) is deemed truant and excessive.

A student having 3 tardies also equals one absence. Absentee letters will be mailed to parents/guardians when their student reaches 5 days, 10 days, and 15 days of absences. *Any student with a Unexcused/Truant absence rate of 10% or greater may be considered for retention under the provisions of A.R.S. 15-843.*

In the event of a necessary absence, parents/guardians are asked to notify the school office by telephone no later than 9:00 am on the day of the absence (if not before). If the school is not notified by 9:00 am, the parent or guardians will be contacted through a telephone broadcast service. (Information regarding the telephone broadcast service, School Reach can be found on pages 12-13.)

REMEMBER, THE FIRST HOUR IS THE “GOLDEN HOUR” FOR THE CHANCE TO LOCATE A CHILD WHO GOES MISSING. This is also a safety issue! It is extremely important that we know where your child is if that child does not appear in class within the first hour. For absences greater than one day in length, parents should notify the school for each day of the absence. In addition, a written absence excuse from the parent or medical provider is required upon the student’s return to school. No makeup work will be given until the written excuse has been received.

Absences will be classified according to the following guidelines:

EXCUSED ABSENCES

Absences will be excused if they are due to illness, medical or dental appointments, bereavement, family emergencies, or observance of major religious holidays of the family’s faith. **Other absences will only be excused if pre-arranged by prior written request and are subject to approval by the Director.** Pre-arranged absences will only be approved up to the limit of absent days allowed per semester.

Please note: If you must make medical or dental appointments for your child during a school day, please make every effort not to schedule them mid-day. An absence of one hour in the middle of the day can cost the school half a day’s funding.

UNEXCUSED ABSENCES

An absence with the prior approval by the parent but for a reason other than those defined as Excused Absences.

TRUANCY

Unexcused absences may be deemed as truant. Truancy is a violation of state and local attendance laws and is considered a serious offense. Continuous truancy may result in legal action against the parents or guardians. The Arizona Compulsory Attendance Law makes it the legal responsibility of parents to have their children in school on a regular basis.

MAKE-UP WORK

Students are expected to make up all work missed for any classification of absence. Students will be given the number of school days equal to the number of days absent to make up work, not to exceed a total of five school days. For example, a student who is absent two days will have until the beginning of the class period on the third school day after returning to have all make-up work completed and turned in to the teacher. Any work not turned in at that time will receive a grade of zero. Any tests that were announced prior to the absence will be taken on the day the student returns to school. Unannounced or unscheduled tests will be made up following the same procedure as for other make-up work. Students who miss school days will be invited to attend our after school tutorial program.

TARDY TO CLASS

Students will be considered tardy to class if they are not in their scheduled classroom at the start of class. All tardy students are required to be signed in at the office before proceeding to class. When your student is tardy, it disrupts the class and others. The first few minutes of class are very important as it sets the tone for your student’s day. This responsibility will enable your child to have a positive and successful day.

Students’ who have been tardy 2 times in 1 week, will be subject to discipline consequences. Further tardy occurrences will result in additional disciplinary action.

PERFECT ATTENDANCE

Students will receive a Perfect Attendance Award for each quarter in which they meet the following guidelines:

- No absences for the quarter
- No tardies or early departures greater than 15 minutes
- No more than 5 tardies and/or early departures of less than 15 minutes in any quarter

In addition to the quarterly award, any student having perfect attendance for all for quarters will receive a Yearly Perfect Attendance Award. Students with Perfect Attendance will be eligible for prize drawings quarterly and yearly courtesy of the Gecko Parents Association.

PROGRESS REPORTS

Student grade progress and assignments can be monitored through PowerSchool anytime during the school year.

RETENTION POLICY

Great Expectations Academy teachers are required to inform administrative staff of students whom they determine should be considered for retention by the third quarter of the academic year. Teachers are responsible for demonstrating evidence for low academic performance by the student and evidence of interventions to remediate the students' skills. Parents of low performing students will be contacted early in the process to inform them of the immediacy of their child's academic standing.

It is Great Expectations Academy policy when a student is considered for retention that a team be convened to discuss the relative academic, social, and emotional strengths and weaknesses of the student in an attempt to determine the most appropriate educational placement for the upcoming school year. The retention team includes the parents, the current teacher(s), and a member of the G.E.A. administration. The team may also include special education specialists, relevant school personnel (i.e. counselor, health professional, and/or next grade level teacher), the student, and individuals accompanying the family at the parents' request.

As the primary caregivers, G.E.A. views parents as the experts when it comes to their children. As such the parents have a responsibility to help determine the most appropriate course of action. The teacher and the pertinent staff and administrators represent expertise in the identification of educational and developmental hallmarks. Whenever possible the team will strive for a consensus, with each expert sharing applicable information for making an informed choice for or against retention. When consensus cannot be reached then it is incumbent upon each teacher member to state whether he or she agrees with or disagrees with the ultimate determination and the reason or reasons why they are doing so.

Parents may appeal a retention decision by informing the school board in writing. The parents then hold the burden of proof that the student has the ability to demonstrate a competent grasp of the applicable grade level standards. The school board is responsible for making the final determination to overturn the decision of the teacher or teachers' retention team.

CHANGE OF ADDRESS/TELEPHONE NUMBERS

Please notify the office **IMMEDIATELY** of any change of address or telephone number. If there is an emergency, the school needs to be able to contact the parents/guardians of the student.

ILLNESS AND INJURIES

The School Aides CANNOT DIAGNOSE a student but can tell parents what they observe and determine if the student is well enough to remain in school. Parents/Guardians will be contacted for students who are too ill to remain at school to request the student to be picked up. If your student is sent home from school with a fever or vomiting, they will not be allowed to return to school the following day.

If your child shows signs of illness, do not send them to school. **Students who are ill with any communicable disease MUST BE FREE OF FEVER AND SYMPTOMS FOR 24 HOURS before returning to school.**

GUIDELINES FOR STUDENT ILLNESS/INJURY AT SCHOOL

The following are general guidelines that the school will use to determine if a student is too sick to stay in school.

- Other symptoms as determined by the School Health Aide that may interfere with the child's ability to remain in school
- Any physical injury that would distract the students learning environment
- If a student experiences an extraordinary injury (head injury, face injury, etc.) the parents will be contacted to be asked for guidance as to what to do next, or a request will be made that the student be picked up from school. A suggestion may be made that a student be taken to the doctor for further evaluation.

ADMINISTERING MEDICATION TO STUDENTS

Prescription medications are allowed on campus ONLY if there is a doctor's prescription on file. **Students are NOT allowed to carry medication with them during the day.** ANY medication sent to school, whether prescription or non-prescription, must be in the original package and brought to the office by the parent. A "Request for Giving Medications" Form must be completed and on file before the medication will be given. **Any student for whom it is medically necessary to carry an inhaler must provide a statement to that effect from their physician.** Middle School Students and students who do not have such a physician's statement will be required to keep their inhalers in the office medicine cabinet.

Only designated employees can administer medication to students. Unless authorized, no employee should give any type of over the counter medication including cough drops to a student. If a student needs some type of over the counter medication and the parent/guardian has signed permission for such, the Aide can administer at their own discretion.

IMMUNIZATION POLICY

State law requires that all students have the required immunizations. A.R.S. 15-803 states that any student who has not provided an immunization history or received needed immunizations shall not be allowed to attend school. Parents will be notified if a child needs additional immunizations in order to attend school.

STUDENT DRESS CODE POLICY

BULLYING, HARASSMENT, INTIMIDATION, EXTORTION

Great Expectations Academy strives to be an environment that will be absent of all threat. We create an atmosphere in and out of the classroom where thoughtful people work together and strive to make all students feel honored and important. Bullying, harassment, intimidation, and extortion will not be tolerated.

Bullying is not a mutual conflict, disagreement, or altercation between peers. In instances of bullying, there is a clearly defined victim and bully. Bullying includes, but is not limited to, physical intimidation, physical abuse, threats, name calling, social isolation, gossiping, and spreading rumors.

A student shall not verbally or physically harass any student, school employee or other person. **Harassment** includes making statements that may reasonably be perceived to be insulting, demeaning, intimidating and /or threatening or sexual in nature, to the recipient of the statement. **Intimidation** includes the use of threats, written, spoken, or physical, to express an intent to inflict fear or physical injury to another person. Threatening other students or extorting money or property from them is also prohibited.

Forms to report bullying are available in the front office. Students or employees making false reports of incidents of harassment, intimidation or bullying will face disciplinary action.

School employees must report all incidents of harassment, intimidation or bullying to the appropriate school official in writing. Employees who fail to report suspected incidents will face disciplinary action. Students who are victims of such acts are asked and encouraged to report it to teachers or someone in the office so that action can be taken. This is the only way to ensure that such acts may be dealt with properly.

Students who are physically harmed as the result of incidents of harassment, intimidation, and bullying, will be assessed by the health aid, if necessary, to determine if they require on campus or emergency medical services or counseling. Law enforcement may be called as well.

The school may take immediate steps, at its discretion, to protect the complainant reporter, students, or others pending completion of an investigation of bullying. Upon completion of the investigation, the school will take appropriate action. Such action may include, but is not limited to, warning, suspension, exclusion, expulsion, or remediation. The school is not authorized to disclose to a victim private educational or personnel data regarding an alleged perpetrator who is a student or employee of the school. All staff will maintain confidentiality of the incident and all parties involved. An appeal of the investigation may be made to the Director or Governing Board of Great Expectations Academy in writing.

The school will discipline or take appropriate action against any student, teacher, administrator, volunteer, contractor, or other employee of the school who retaliates against any person who makes a good faith report of alleged bullying or against any person who testifies, assists, or participates in a proceeding or hearing relating to such bullying. Retaliation includes, but is not limited to, any form of intimidation, harassment, or intentional disparate treatment.

The school will provide education and information to students and employees regarding bullying, including information regarding this school policy prohibiting bullying. The school will annually provide access to the policy in this handbook through the school website.

SELF-DEFENSE

Students should keep their hands to themselves at all times. Fighting will not be tolerated at Great Expectations Academy. This includes hitting, punching, kicking, scratching, biting, etc. In a case where a student is being bothered, these are the steps for the student to follow. In an assertive voice, tell the offender "NO! LEAVE ME ALONE!" The next step would be to walk away from the person who is bothering them. If it is absolutely necessary for protection, the student can push away from the offender with their open hands. The student will then need to go to an adult immediately to tell them about the problem.

PHYSICAL EDUCATION

Physical education classes are planned to teach students about physical fitness and athletic activities. In order to be successful, students must participate. If they are excused from participation in P.E., they are expected to sit outside with their class. **Please make sure your child wears tennis shoes, wears appropriate clothing, and has a water bottle on P.E. days.**

LIBRARY

The Great Expectations Academy library is used to support the curriculum in the classrooms, to collaborate with staff to provide opportunities for students to become effective users of information, and, most importantly, to promote a lifelong love of reading. We encourage students to check out books from the school library on a regular basis and invite parents to check out books also.

It is a privilege to check out books from the library. Students are expected to handle books with care at school and home. Please try to keep books clean and dry and away from food, drinks, pets and younger children. We ask that you do not try to attempt to repair a book that is ripped or damaged. The library has special supplies for that. Thank you for your help in keeping our books well read and well taken care of!

CHECKOUT: Following is a list of how many book(s) each grade can check out during their library time.

Kindergarten – 1st Grades can check out 1(one) book for 1 (one) week

2nd – 8th Grades can check out 2 (two) books for 2 (two) weeks

LOST/DAMAGED BOOKS: If a student has a lost or damaged book, the student/parent/guardian will be responsible for replacing the book. The student/parent/guardian can either pay for the library book or replace it with a book in good condition of equal or greater value. If a student has damaged or lost a book from a classroom set, they will have to pay for the book. No book trade-in will be accepted, since the school will have to replace the book to keep the set intact.

The GEA library accepts donations of books throughout the school year. If you have any questions regarding donations, please contact the school office.

EDUCATION FOR ARIZONA’S HOMELESS CHILDREN AND YOUTH THE MCKINNEY-VENTO ACT

The McKinney-Vento Act identifies homeless students as “Children who lack a fixed, regular and adequate nighttime residence” due to loss of housing, economic hardship, or a similar reason. This includes preschool age children, school age children, and youth living on their own (unaccompanied youth -not in the physical custody of a parent or guardian).

Children and youth on their own may qualify for assistance under the McKinney-Vento Act, if they or their family lives in any of the following situations:

- Temporarily sharing the housing of other persons due to loss of housing, economic hardship, or similar reason.
- Living in motels, hotels, or camping grounds due to lack of adequate accommodations.
- Living in emergency or transitional shelters, such as group homes, runaway shelters and domestic violence shelters.
- Awaiting foster care placement.
- Living in cars, parks, public places, abandoned buildings, or similar settings.
- Abandoned in hospitals.
- Living in housing that is substandard or inadequate.
- Students in homeless situations must have the opportunity to meet the same high academic achievement standards as all students. This is why it is so critical that homeless children and youth receive all the educational services for which they are eligible.
- Be given access to the same public education provided to other children, including preschool education.
- Continue in their school of origin or school of residence, *if feasible*.
- Enroll and attend classes while the school arranges for the transfer of school and immunization records or any other documents required for enrollment.
- Receive transportation, *if feasible*, to the school of origin.
- Automatic enrollment in the National Free and Reduced Lunch Program.
- Based on need*: Receive services including Head Start Programs, Title I, English Language Learner, and Special Education.

THE MCKINNEY-VENTO HOMELESS EDUCATION ACT

The McKinney-Vento Homeless Education Act is a federal law aimed at providing homeless children and youth with an equal opportunity to succeed in school. It was originally authorized in 1987 by the Reagan administration, and reauthorized by the No Child Left Behind Act of 2001. The intent of the law is to break the cycle of poverty and to address the problems that homeless students face in enrolling, attending, and succeeding in schools. The McKinney-Vento law applies to all public and charter schools.

The major provisions of the McKinney-Vento Act are:

- Each school district must designate a liaison for homeless students.
- Homeless students can stay at their school of origin (the school they attended when they were permanently housed/last enrolled) or their school of residence the entire time they are homeless and until the end of any academic year in which they move into permanent housing.
- Schools must immediately enroll homeless children and youth regardless of missing documentation.
- Schools must provide homeless students transportation to and from their school of origin, if feasible.
- Homeless children and youth are not stigmatized or segregated on the basis of their status.

Much is being done to help homeless children and youth maintain a stable educational environment and have a successful school experience.

MEDIA RELEASE

There are times during the school year that students may be involved in activities in which there will be media coverage. Media includes, but is not limited to, school newsletters, videos, local and state newspapers, school and community publications, radio and television, teacher training, and the school website. A permission form for media release must be signed by the parents/guardians which is included in the Student Enrollment Package.

VIDEO SURVEILLANCE

In order to promote the safety of Great Expectations Academy employees, students, volunteers and visitors, as well as the security of its facilities, Great Expectation Academy may conduct video surveillance of any portion of its premises at any time. Surveillance cameras may be installed in situations where the security of either property or people would be enhanced, including, but not limited to, inside and outside of buildings and on school buses. Surveillance cameras will not be used in locations where there is a reasonable expectation of privacy, as defined by law.

Video and/or audio recordings may be used as evidence in any disciplinary action, administrative or criminal proceeding, and may become a part of a student's education record or an employee's personnel file. All recordings of illegal activities of employees, students or others will be forwarded to the appropriate law enforcement authority. Great Expectations Academy will comply with all requirements of the Family Educational Rights and Privacy Act (FERPA) prior to releasing any recordings to parents or guardians of students involved in disciplinary matters. Surveillance camera video recordings will be kept for a limited period of time, to be determined by record retention policy.

Any and all secret tape or video recordings by employees or students at school, or at school sponsored events is strictly prohibited.

If illegal substances or objects are found in a search, law enforcement officers shall be notified.

All policies and regulations of the school apply to chaperones. Bringing siblings, especially younger children, may prohibit parents/chaperones from giving their full attention to the Great Expectations Academy students. Therefore, **siblings are not allowed to attend field trips.**

FUNDRAISING

Fundraising activities on school campus may only be conducted by students and/or parents with the prior authorization of the Administration. Community-wide or off-campus fund raising activities require the authorization of the Governing Board. In any situation, students are not allowed to solicit door to door without parental supervision.
